FADE IN:

INT: ROOM

THE ROOM ITSELF FEELS NATURALLY ARTIFICIAL. AS IF IT TAKES PLACE INSIDE OF A PIECE OF PAPER.

TYLER stands behind a podium with a projector displaying "Hello." in a swanky font. On his right breast is a post it note that reads "Ty"

TYLER

Hey. Welcome.

Tyler walks off camera and returns momentarily with a plastic guitar with circuit boards taped on and loose cables hanging out.

TYLER

I know you're thinking this is the computer.

(smirking)

This is the computer.

Tyler points at the post it note on his chest.

CLOSE UP:

Tyler's finger is pointing directly at the QR code in the top right corner of the post it. Preceding the QR code is the text "sillyz.computer"

The swanky "Hello." that was on the wall begins to fade in on the post-it note.
